IS A CAREER ACADEMY/CAPS BEST FOR OUR STUDENTS?

- ❖ The concept with the help of local business leaders is to develop academies that provides an effective model to prepare all students for college **AND** careers.
- ❖ All academies require a core curriculum of English, Math, Science, Social Studies, Physical Ed/Health, and General/Global Studies as a requirement for graduation.
- ❖ The high school students would experience a personalized school day as they prepare for success in college and/or work force.
- ❖ organizing the teachers to ensure student success and personal connections,
- ❖ provide a project-based, authentic real-world,
- ❖ interdisciplinary learning experience,
- ❖ engage students by making classes relevant to their personal interests and aspirations,
- ❖ providing connections with local businesses and professionals, linking schoolwork and the workplace.
